EconS 305: Intermediate Microeconomics without Calculus

Registering for Sapling Plus

Please follow these steps when registering your student Sapling Plus account for this course:

1. Follow the Sapling Learning link from your instructor's course page. This is the link titled **"Link to Sapling Plus"** in the **"Course Information"** tab on the Blackboard Course website.
    - For initial registration, your Sapling Learning homework must be accessed through this link. After logging in once using this link, you can log in to subsequent sessions from your instructor's course page or from the Sapling home page. It is highly recommended to always use the link through the course page.
2. If you already have a Macmillan Learning account you can log in with your existing credentials and skip to step 4.
    - Create your password and set all three security questions.
    - Start typing in your institution to select from the options that appear in the Primary Institution or School name field. If you institution does not appear you can add it by typing in the full name.
    - Accept the terms of use and click "Sign Up".
    - Check your email for the confirmation link to complete your registration and return to the login page.
3. Set your institution by searching using your institution's full name and selecting the appropriate option from the menu that appears.
4. You've been automatically enrolled into the appropriate homework course on Sapling Learning and will be directed to your course page.
5. To access your ebook click on the image of the cover on the right sidebar of your course site. Create an account or log in with an existing Macmillan Learning eBook account.

Need Help?

Answers to many common questions are found in our Student Support Community. If you need direct assistance you can also contact technical support:
